The Parliamentary Review: Stronger Together

Recognised that **health & social care** in Wales is unsustainable & advocated **radical, transformational change** including:

The Parliamentary Review of Health
and Social Care in Wales

A Revolution from Within:
Transforming Health and Care in Wales

- Bold new models of seamless **care** developed nationally, but co-produced & implemented regionally and locally
- Adoption of the Quadruple Aim across **Health & Social Care**, including for R&D, innovation & (improvement) planning
- Rationalisation & alignment of improvement support services across **Health & Social Care** in Wales

Cymru Iachach:

A Healthier Wales:

our Plan for Health and Social Care

#ahealthierwales

- WG response to the PR 2018 of Health & Social Care in Wales which called for “a revolution from within”.
- Long term future vision of a whole-system approach to health and social care, focussed on prevention and equality of outcomes.
- Prudent Healthcare philosophy, Quadruple Aim as a central idea, supported by 10 practical ‘Design Principles’ to guide a transformation agenda.
- 40 practical actions – partnership approach with service providers - to achieve the vision.
- Unprecedented level of stakeholder input must not be lost

What are we trying to bring together?

- Health **and** social care
- New models of **seamless** local health and social care
- To be driven by regional **partnership** boards
- Better **co-ordination** of research innovation and **improvement**
- In pursuit of **quality and value**
- **Link** local innovation to national leadership and **direction**

What are we trying to bring together?

Research

New knowledge, hypothesis testing, theme identification and exploration.

Innovation

Development and delivery of new or improved policies, systems, products, technologies, services and delivery methods.

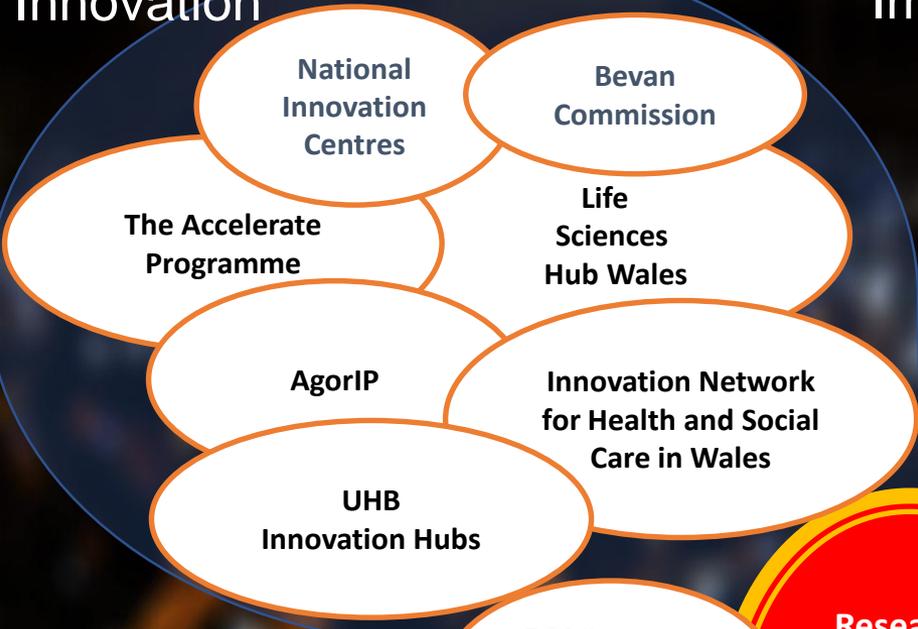

Improvement

Bespoke cycles of testing and scaling to achieve sustained, higher value, quality led improvement.

A national network of regional hubs to co-ordinate research, innovation & improvement

- providing a **comprehensive and current overview** of all research, innovation and improvement activity across the RPB area
- developing a **coherent strategic analysis** of this activity
- ensuring that **leaders, partners and stakeholders are informed and engaged**
- **working with other regional hubs as a national network**, with an emphasis on driving the adoption and spread of activity
- **working with national bodies** such as the Life Sciences Hub, Health Technology Wales
